Anniversary Celebration

Celebrating 125 Years Supporting
Independent Insurance Agents in Illinois

EXCLUSIVE TESTIMONIAL NO COST

As we prepare to celebrate our company's 125th anniversary, we are reflecting on the journey that has brought us to this significant milestone. Throughout our history, partners like you have played an integral role in our success, and we are immensely grateful for your continued support.

Each month, *Insight* magazine is featuring a special anniversary section. Those will be compiled into a "Special Anniversary Publication" for distribution in October. Also in this publication, we will feature historical photos, documents and more from throughout our 125 year history.

As a Big I Illinois partner, we invite you to participate in the publication by providing a brief testimonial/quote. We ask that you provide a written quote, two-three sentences which will be included in the special 125th anniversary publication, and other association media outlets. Send the response to Rachel Romines at rromines@ilbigi.org by September 1, 2024.

In your response, please also include the name and title of who the quote should be attributed to, a high-resolution photo (not required), and your most up-to-date company logo in eps format.

To guide you in writing the quote, here are a few questions you could answer.

- What message would you like to send to Big I Illinois on its 125th anniversary?
- What does the state association mean to the independent agency community in Illinois?
- In what way has Big I Illinois helped your distribution force?
- How does Big I Illinois bring the independent agency channel together?"
